Put all hardware in a Dart bag. Remove all the air from the bagged D3215-041 & D3215-043. Place D3215-043 in bottom of box, in pairs. In the center of the preceding D3215-043, place (1) D3215-041, then add (9) pieces of D3215-041 by three. Wrap all bars into a piece of bubble wrap and place into box. Add remaining pieces of D3215-041 all around bars. Add paperwork between box and D3215-041, then add all remaining hardware. Put a piece of bubble wrap on top of bars to prevent movement. Close box then add wedges. Apply tape at center of box, then Dart logo tape over it. Strap box lengthwise on both sides so as to create a cross on top of box. Apply clear tape over strapping. Apply label D2729-3 as per QSI 014.
